**RECOMMENDATIONS FOR UMPIRES AND COACHES**

1. Please engage umpires to work who are members of the Bergen County Umpires Association.
2. Remember that no game is any better than the officiating.
3. Recognize competence and ability in handling the sport.
4. Permit the umpires to work the game without bickering or coercion. If the umpire's work is not satisfactory, you need hire him/her again.
5. Always assign umpires to a position (plate or bases) when hiring them.
6. Umpires should always be neat in appearance and should be at the game site, dressed and ready, no later than fifteen minutes before the scheduled starting time.
7. In case an emergency arises, each umpire should always carry his/her plate equipment and be prepared to work behind the plate.
8. The home team should have printed ground rules which should be given to the umpires no less than fifteen minutes before game time.
9. If umpires report to the game site and the game is subsequently postponed or cancelled, umpires are entitled to a full game fee.
10. Every effort should be made to start the game at the scheduled starting time. The home team is responsible for being off the field early enough for the visitors to complete infield practice before the scheduled starting time.
11. If a team shows up late to the game site, REGARDLESS REASON, the umpires must permit them a *reason-*
